Fantasy a'la Moebius

If you've been aching to try the acclaimed works of Moebius, but the cost has intimidated you, *The Elsewhere Prince* is your ticket to an amazing new world., and it only costs $1.95!

It's set in *The Airtight Garage*, Moebius' exciting world populated by weird creatures and beautiful women. One artist...THE Artist, travels the Garage in search of inspiration. Hoooo, does he find it!

Eric Shanower (of the fantastic *Oz* graphic novels) illustrates the six-part series, but when The Artist paints, the work you see is created by Moebius himself!

It's aliens vs. mutants!

Prof. Xavier, founder of *The X-Men,* went to space in a ship to help his love, Majestryx Llandra, regain her throne of the Shi'ar Empire.

With The Starjammers (led by Cyclops' father, Corsair), they seek the planet Phalkon, a source of immeasurable power. Trouble is, the Empire wants it, too. And when the Starjammers manage to find Phalkon, they find themselves up against *Excalibur!* All this and a reunion with *X-Factor.* We only hope Prof. X lives to enjoy it.

Starjammers co-creator Dave Cockrum pencils this two-part bookshelf limited series beginning the first week of March.

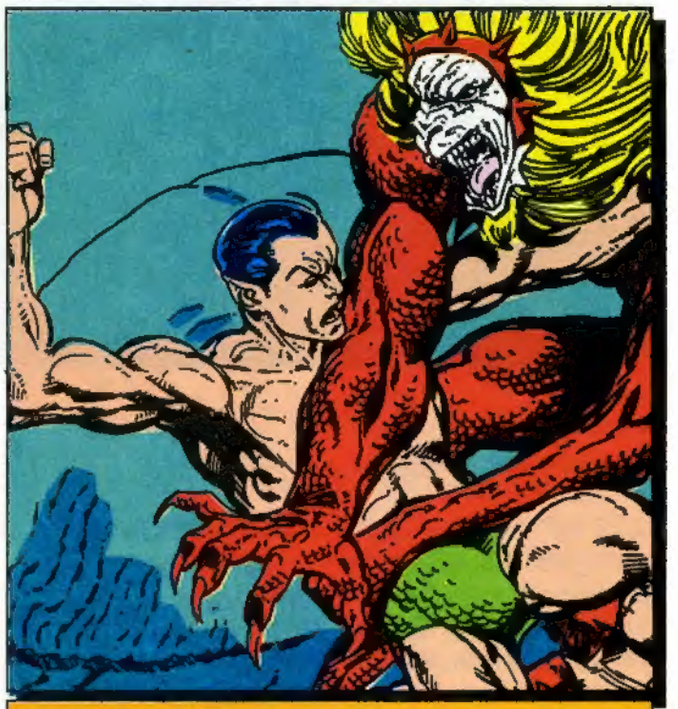
Longtime allies of The X-Men, the Starjammers lead a rebel war against the Shi'ar Empire. Led by Prof. X, Corsair and Majestrix Llandra, they cross the cosmos in search of the legendary planet Phalkon, source of immeasurable power on Phoenix levels. On the road to Phalkon, they must defeat Deathbird and the Imperial Guard. Written by Terry Kavanagh, illustrated by Dave Cockrum, co-creator of the Starjammers in the early days of *The X-Men.* Look for guest appearances by Excalibur and X-Factor next month.



Namor, The Sub-Mariner is up against more than corporate raiders when his business enemies send The Griffin to kill him!

Demon biker in Brooklyn

For Danny Ketch and his sister, Cypress Hills Cemetary on All Hallows Eve is the wrong place at the wrong time. They get caught in a crossfire between the Kingpin's men and the gang led by the vicious Deathwatch.

Danny's sister is shot, and he finds protection for them in a nearby mausoleum. But that's not all he finds...

Stored in the crypt, there sits a weird motorcycle, and when Danny stumbles across it, he is posessed by a spirit of vengeance - the *new* Ghost Rider.

With the weirdling powers now at his disposal, Danny sets out to punish those responsible for his sister's pain. Before he's done, they will wish they had never been born.

The first issue is a double-size special, on sale the second week of March.
